

ENVIRONMENTAL POLICY

Catering Industries Pty Ltd is committed to ensuring our business operations and undertakings are carried out in a manner that does not adversely impact on the environment in which we operate and we will do this by complying with all relevant Environmental legislation:

Catering Industries shall:

- Identify all areas of our business undertakings that have, or may have, an impact on the environment, or the environment in which our Employees and Contractors work.
- Establish appropriate environmental objectives to meet our stated goal of “Nil Harm Across All Sites” and is managed to incorporate the principles of Indigenous Heritage and preservation of areas of cultural or religious significance.
- Ensure continuous improvement to our business undertakings to reduce pollution and reduce our overall impact on the environment;
- Deliver appropriate and relevant training to our Employees and Contractors across all areas of our business to ensure they have the required ongoing competence and knowledge to assist our Company in reduction of pollution or impact on the environment;
- Ensure our Environmental objectives are clearly documented and implemented across our entire business and are communicated to our Employees and Contractors.
- Make our Environmental objectives, contained within our National Safety Plan available to all interested parties; and
- Review our Environmental objectives periodically to ensure it remains relevant and appropriate to Catering Industries business undertakings.

Catering Industries will do this by:

- Ensuring Management, all Employees and Contractors are responsible and accountable for their Environmental performance in all areas of their responsibility.
- Consulting with our Employees, Contractors and Stakeholders in relation to the relevance and applicability of our Environmental objectives and targets for ongoing improvements to our Environmental performance.
- Providing all necessary resources and time to ensure our Environmental objectives are implemented and that appropriate review of our objectives and Environmental targets is carried out to continually improve Catering Industries Environmental performance.
